

Absurd Hero

Beneath the Massacre

Aware of the absurd without opting for death
An absurd hero
A cursed level of consciousness
The certainty of a crushing fate
Doomed
And realize that it hurts

Oscillating between absolute unknown and this harsh reality
Condemned to this vile existence
Yearning for unity and cohesion, facing silence
Unreasonable silence of the world
When facing its tragic accomplishments
Conscious and convinced it is worthwhile
Tantalus' grasp does not reach
Scratching this itch endlessly

An absurd hero

The certainty of a crushing fate
Doomed
And concede that it hurts

Yearning for unity and cohesion, facing silence
Unreasonable silence of the world
When facing its tragic accomplishments
Conscious and convinced it is all worthwhile
It's all worthwhile
Worthwhile

Exhale
Inhale death
Exhale
Inhale death
Tantalus' grasp does not reach
Scratching this itch endlessly

An absurd hero
The certainty of a crushing fate
Doomed
And accept that it hurts
