

# Of Gods and Machines

## Beneath the Massacre

Ignorance became strength  
Synthetic standards, bastardized existence  
Dystopian nightmares became reality  
A reinterpretation of wisdom  
Speaking tongues, newspeak, speaking nonsense  
Without the words to define the framework, a  
Slave to numerical empires  
Stock index dictatorship by unknown  
Incorporated identities

An illusion of structure without future  
What's influenced by whom never been so enigmatic  
While  
While building machines  
Repressive technologies of control  
While building machines  
Repressive technologies of control

Mechanistic  
Mystical structures  
Scream your ignorance louder  
Won't make it right  
The logic  
The last one to talk is always right  
No? Now isn't it how it goes?  
Scream your ignorance louder

Won't make it right

An economy of ignorance  
An education in mass destruction  
Specialized in bio-uniformity  
A reinterpretation of wisdom  
Speaking tongues, newspeak, speaking nonsense  
Without the words to define the framework, a  
Slave to numerical empires  
Stock index dictatorship by unknown  
Incorporated identities

An illusion of structure without future  
What's influenced by whom never been so enigmatic  
Empty knowledge to facilitate thought control  
Abusive concepts  
Instructed to accept domination  
Empty knowledge to facilitate thought control  
Enforcing mechanistic mystical character structures to better feed the masters
