

Rainbow in the Dark

Benedictum

When there's lightning, you know, it always bring me down
'Cause it's free and I see that it's me who's lost and never found
I cry out for magic - I feel it dancing in the light
It was cold - I lost my hold to the shadows of the night

No sign of the morning coming
You've been left on your own
Like a rainbow in the dark
A rainbow in the dark

Do your demons, do they ever let you go?
When you've tried, do they hide deep inside?
Is it someone that you know?
You're just a picture, you're an image caught in time
We're a lie, you and I, we're words without a rhyme

There's no sign of the morning coming
You've been left on your own
Like a rainbow in the dark
Just a rainbow in the dark, yeah

When there's lightning, you know, it always bring me down
'Cause it's free and I see that it's me who's lost and never found
Feel the magic, I feel it floating the air
But it's fear and you'll hear it calling you beware, look out

There's no sign of the morning coming
There's no sight of the day
You've been left on your own
Like a rainbow...
Like a rainbow in the dark, yea-yeah!
Like a rainbow in the dark
Just a rainbow in the dark
No sign of the morning
You're a rainbow in the dark
