

BLISS

Benedixhion

Poppin' pills all night, I'm never stoppin'
I'm so godamn high, I'm in the sky bitch
Catch me up in outer space
Flyin' like a- flyin' like a pilot
Oh my god I'm wylin'
Pretty sure that my body's dying
I don't care, I hate this whole life shit
Ugh I'm so over it
I love my percs, I love that bliss
Yah
Gon' fuck that bitch til she cummin' all on my dick
Can't stop these pills, I'm a addict

I really need more drugs, I can't help it
I'm so selfish
You were playing, you're a lame
I'm over that bitch, they all the same
I can't take no more of these fakes
Yeah yeah yeah yeah
La la la la la
Hear you talkin' blah blah blah
Shut the fuck up, oh my god

Poppin' pills all night, I'm never stoppin'
I'm so godamn high, I'm in the sky bitch
Catch me up in outer space
Flyin' like a- flyin' like a pilot
Oh my god I'm wylin'
Pretty sure that my body's dying
I don't care, I hate this whole life shit
Ugh I'm so over it
I love my percs, I love that bliss
Yah
