

brokenhearted

Benedixhion

My hearts been broken
Way too many times
I cannot handle this life
Cause I feel hopeless
So I cry
Alone in my room bitch
I'm so lost without you here boo
And thas tha truth
You left me
Feeling empty too
Ohooohoooh

Broken hearted
I wish you would be my fuckin bae
Broken hearted
Nowadays I only isolate
Broken hearted
I wish you would be my fuckin bae
Broken hearted
Nowadays I only isolate

Its too much to take
I'm gone
In this life there is no restart
Lost myself to all tha drugs
I wish that I could give a fuck
I jus might be outta luck
Thas jus life bitch
Popped 4 percs
Now I feel righteous
Feeling right
It's how I like it
I know that I cannot fight this
I'm so high
Don't know what life is
And I jus do not know why
I'm even still alive
