

costar

Benedixhion

Yeah she crazy
I could never trust a hoe
You ain't gun play me
No way

I was with a baddie in a dream
Off of 4 bars
Nothin really ever as it seems
Ima go far
Be my costar
Baby be my costar
We could go far
I been grinding so hard

All I do is hustle I been chasing down a bag
If u need some xannies hit me up
And send the addy
Think I found a girl who really understand me
And I love it when she be calling me daddy
Goddamn huh
She ain't really want me jus my xans huh
It's whatever I'll jus count my bands up
I be sipping on my drink
Yah
Makin money in my sleep
Yah

Pop a bar n smoke a blunt
I put a 30 in my soda ay
I love mixing up my drugs
Off a percy actin so dumb
I'm geeked
I don't a give a fuck about a thing nah

I was with a baddie in a dream
Off of 4 bars
Nothin really ever as it seems
Ima go far
Be my costar
Baby be my costar
We could go far
I been grinding so hard

I was with a baddie in a dream
Off of 4 bars
Nothin really ever as it seems
Ima go far
Be my costar
Baby be my costar
We could go far
I been grinding so hard

Who is that lil shawty
Ima make my move
She sayin that she want me
But she act so rude
Even geekin I drip

30 in my body with the benzos I mix
I ain't tying no lace but you know I don't trip
Ya
I'm jus askin what's next
What next
I keep takin my meds
Ya
'Cause it's all in my head
Goddamn

I was with a baddie in a dream
Off of 4 bars
Nothin really ever as it seems
Ima go far
Be my costar
Baby be my costar
We could go far
I been grinding so hard
