

Droopy Eyelids

Benedixhion

Can't feel at all, so I'm confused
'Cause I feel something when I'm with you
Colored iris, droopy eyelids
Help me breath, teach me what life is

I don't wanna fall in love
'Cause that feelings too strong
But I can't help myself
Tired of moving on

I don't wanna fall in love
'Cause that feelings too strong
But I can't help myself
Sick of being alone

I don't wanna let you go
I just wanna hold you close
I just wanna let you know
To me you mean the most

I don't wanna let you down
I just wanna bring you up
But I'm too scared to move
Don't wanna fall in love

I don't wanna fall in love
Cause that feelings too strong
But I can't help myself
When I'm alone with you

Can't feel at all, so I'm confused
'Cause I feel something when I'm with you
Colored iris, droopy eyelids
Help me breath, teach me what life is
