

Got too many drugs in my bag  
I popped 3 xans but I  
Got too many drugs in my bag  
I popped 3 xans but I still feel sad  
Life just sucks I feel like I'm dead  
I wanna put 10 rounds in my head

Oh my God  
I been off a lot  
No one really needs me  
No reason to stop  
I wish I could live a life like you but  
My whole life I've felt so useless

You just left me here on my own  
And now I'm faded  
I been tryna live this life all alone  
But I can't take it  
I feel like this life ain't worth it  
I feel like I have no purpose  
I feel so alone in my bedroom  
D-don't pick up the phone  
I'll be dead soon  
I don't know why I'm alive  
I don't know why I still try

You don't really love me or need me  
Everything you said was deceiving  
You don't really love me or need me  
Why am I even breathing

Oh my God  
I been off a lot  
No one really needs me  
No reason to stop  
I wish I could live a life like you but  
My whole life I've felt so useless  
Oh my God  
I been off a lot  
No one really needs me  
No reason to stop  
I wish I could live a life like you but  
My whole life I've felt so useless

I feel so alone in my bedroom  
Don't pick up the phone  
I'll be dead soon  
I don't know why I'm alive  
I don't know why I still try
