

Falling bae  
I keep falling bae  
I keep falling bae  
I keep falling for you baby  
Falling bae  
I keep falling bae  
I keep falling bae  
I keep falling for you baby

Falling for you lately  
You drive me crazy  
My time's worth wasting with you  
Yeah, its true

My time's worth wasting with you  
Yeah, its true  
I wanna waste it with you, baby  
I wanna waste it with you, baby  
Ah, ah  
Cuz you've been changing my mood lately
