

left on read

Benedixhion

I know you don't want to talk to me
So just leave me on read like I'm nobody
I know you don't really fuck with me
So leave me alone. Go talk to somebody

I know you don't want to talk to me
So just leave me on read like I'm nobody
I know you don't really fuck with me
So leave me alone. Go talk to somebody

That isn't me
Go ahead and leave
It's not hard to see
You don't care about me

You left my broken body on the concrete
Who'd've known that you're so heartless
So heartless
So heartless
Bitch, you're heartless

Left on read, fuck my existence
It doesn't feel like I am really living
Everyone's so shady
All of my friends probably hate me

I know you don't want to talk to me
So just leave me on read like I'm nobody
I know you don't really fuck with me
So leave me alone. Go talk to somebody

I know you don't want to talk to me
So just leave me on read like I'm nobody
I know you don't really fuck with me
So leave me alone. Go talk to somebody

That isn't me
Go ahead and leave
It's not hard to see
You don't care about me

Nobody, I'm nobody
I'm so cold 'cause no one loves me

Don't love me
No one loves me
Nobody
I'm nobody
