

# LOSTCAUSE

Benedixhion

I feel so lost  
I feel so lost  
Like my mind is in a cage  
I can't stop  
I take drugs like everyday  
I'm so gone  
Bae, I'm so gone

I feel so lost  
Like my mind is in a cage  
I can't stop  
I take drugs like everyday  
I'm so gone  
I'm a lost cause  
I'm dead  
I hate withdrawals  
So I'm staying high instead  
Like oh god  
I know it's all in my head  
Lost cause  
I know  
Can't let it go

I feel my body dying  
Laying on the floor while crying  
I could use some help  
I'm wylin lately  
Sorry babe  
I'm pretty sure I'm going crazy  
Hate these drugs  
But they make me feel amazing  
Yeah, amazing  
Wasting my time  
I really hate my life  
I'm so sick of being wasted  
I be fucked up on the daily  
I've been going fucking crazy  
Feel wavy, yeah  
I keep running  
I can't take it, yeah  
I keep running  
I can't take it

I feel so lost  
Like my mind is in a cage  
I can't stop  
I take drugs like everyday  
I'm so gone  
I'm a lost cause  
I'm dead  
I hate withdrawals  
So I'm staying high instead  
Like oh god  
I know it's all in my head  
Lost cause  
I know  
Can't let it go
