

I can't take the pain no more
Shawty my whole minds at war
I be posted at the corner
Sellin' drugs like its a store
Baby I think I need more
I can never get enough
With the drugs I fell in love
Fell in love
Oh, woah
I'm so fucked up
That's how it go
But bitch like
What are you saying?
Lil hoe I think that ur crazy, yeah

Oh, woah
Off so many fuckin drugs
Yeah I know
And this life is like a daydream
Bitch, I feel amazing
That's jus how it go
That's jus all I know
Oh, woah
I always want more
I'm so faded that's for sure
Catch me posted at the corner
Sellin' drugs like it's a store
I got codeine in my cup
I be drowning in a four
No it is never enough
Til I'm passed out on the floor

For sure
But I always want more
I want more
I always want more
Til I'm passed out on the floor
I can't take the pain no more
Baby I always want more
I want more
