Ey

I-ima hit your line up ina minute
You told me you loved me
But we both know that you didn't
Love it when you fuck me
It feels like I'm dreaming baby
I hope that you can save me

Pulled up to the party fucked up
And shawty ain't like it
I feel like I'm losing my soul
And girl I can't fight this
I just need more pills in my skull
Before I get violent
Yeah a-ay
Before I get violent
You said that you needed me
But you ain't really need a thing
No baby
You can't fucking save me
I can't trust a soul
Already know your gunna play me

Pulled up to the party fucked up
And shawty ain't like it
I just need more pills in my skull
Before I get violent
Oh
I can't live my life if I'm not off a benzo
Lil shawty grinding on me
She ain't wanna take it slow
Oh oh oh
Shawty all up on me she ain't wanna take it slow
Life feels like a dream when I be off a benzo
I'm off too much I lost my soul-soul-soul

I ain't gotta lot on my mind
Except for you girl
I just wanna take up your time
And that's the truth girl
I wanna make it to the bag
Shawty on my lap
She be all up on me while I countin up my stacks
On-on God
If you gotta problem with me think that can be solved
Lil bitch jus pull up
Wha-what the fuck
I been really living dangerous but this shit is fucking fun
Sno-snorting oxy straight to my lungs
I'm know I'm goin crazy
Just wanna be xanned out for fun
So I'll be chillin baby

I need another fuckin bar
Already on three but I ain't feel that shit at all-all-all

Pulled up to the party fucked up
And shawty ain't like it
I just need more pills in my skull
Before I get violent
