Le-le-let me die
I don't really know what the point in life is
Everybody knows that we won't survive
I-I just wanna go shawty, I can't fight this
Always on my page but you never like
It's-It's-It's fake
You ain't really love me
That's great
I been counting up bankroll
All day
I been drowning in my problems
Let's escape
Yeah

I-I been in my bag
And I ain't stopping bitch
I love poppin tags
So I been shopping
I don't understand
I keep falling for you boo

Le-le-let me die
I don't really know what the point in life is
Everybody knows that we won't survive
I-I just wanna go shawty, I can't fight this
Always on my page but you never like
It's-It's-It's fake
You ain't really love me
That's great
I been counting up bankroll
All day
I been drowning in my problems
Let's escape
Yeah

Why's my mind feel like it's a prison?
I don't understand
I just wanna life that's worth living
Won't you hold my hand?
