

Baby I can't stand
Not bein in your arms
Wasn't in tha plan
To give up my heart
I kept on fallin apart
If you love me
Lets jus restart
Baby I can't stand
Not bein in your arms
Wasn't in tha plan
To give up my heart
I kept on fallin apart
If you love me
Lets jus restart

Blacked out before I even pulled to tha club
But les pop another bottle
Tryna stay fucked up
So what bitch
You left me
So I'm hitting up my plug bitch
Cuz I don't need your love
I jus need more drugs
I'm lost in my thoughts
So I block it all with alcohol
And hella pills
I'm a lost cause
It's kinda crazy
I was really hoping maybe baby you could save me

I got a cold heart
Ima- Ima- Ima-
Time to restart
Ya
Time to re-restart
I got a cold heart
Ima- Ima- Ima-
Time to restart
Ya
Time to re-restart
