

BAGELS

BENEE

You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone

Mmm, mmm
Mmm, duh-duh-duh-duh-duh-duh
Mmm
Mmm
Ah

You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone
You are not alone, you are not alone

Mmm, na-na-na-na-na
Ooh, mmm
Aah

I went to the beach, um, went to the beach
And I went for a swim and it was really nice
And I got up and had a really good hot shower
And I ate, I ate, a bagel, do you like bagels?
I love bagels, why do you like bagels?
Bagels just make me feel so good
Hehehe, hahaha
Do you like bagels?
I love bagels
