

The sand is everywhere it seems
I can't get that stuff off my feet
You say something that makes me laugh
For a second, thought you had my heart
The dewy mist that cools my lips
Your jumper's good for days like this
I know that we both want it
Mmm

If I could stay, you know I would
I like it here, deep in the woods
But we know that it won't last long
It feels so good to have someone

I'll see you
I'll catch you 'round
I'll see you
I have to be somewhere else

Shadow of a tree
Falling of the leaves
So peacefully we lie
Watching stars as they shoot by

As the waves roll out
I stay at your house
You roll your curtains down
Bliss surrounds us now

If I could stay, you know I would
I like it here, deep in the woods
But we know that it won't last long
It feels so good to have someone

I'll see you
I'll catch you 'round
I'll see you
I have to be somewhere else

Ooh, ooh-ooh
Ooh, ooh-ooh-ooh
Ooh, ooh-ooh
Ooh, ooh-ooh-ooh

I'll see you
I'll catch you 'round
I'll see you
I have to be somewhere else
