

Fck Love

BENEЕ

Fuck love if it's not the real one
I want you to love me even when I'm not strong, baby
Fuck love if it's not the real one
I want you to love me even when I act dumb

'Cause I be making mistakes
Saying things you gon' hate
I'd rather be honest and see if we got it
Then say you promise that I know I can't keep
'Cause I can't sleep with no problems with you and I'm antsy
You ain't calling and this ain't no Plan B
'Cause I know every day is a plan C
So with you I got patience

I never stayed the fucking same but she like who I am
Even when I'm not ashamed, she inviting her friends
I never stayed the fucking same but she love who I am
Even when I'm acting crazy she love me right back

Fuck love if it's not the real one
I want you to love me even when I'm not strong, baby
Fuck love if it's not the real one
I want you to love me even when I act dumb

Fuck love
All it does is mess me up
All I feel is not enough
And I feel like I'm just wasting love
Tell me now
How we ever gonna love ourselves
If we're really loving someone else?
Tell me how?

And I'm always the first one to cry
Got no interest so save your breath
Don't act so surprised
I'm just getting high
I miss it sometimes
Having someone but I still need time

Fuck love if it's not the real one
I want you to love me even when I'm not strong, baby
Fuck love if it's not the real one
I want you to love me even when I act dumb

Can you love me like that?
Can you love me like that?
Can you love me like that?
Can you love me like that?

Can you love me like that?
Can you love me like that?
Can you love me like that?
Can you love me like that?
