

# Heaven

BENE

I still feel you sometimes  
I wait  
There's a deepness, it's hollow  
I know I've lost you

I wish I had more time, more time, more time  
I wish I had more time and more love  
I wish I had more love, in time, time in love  
I wish I had more time in love, in time

I search for you in the clouds  
Might pop out and say 'Hi'  
My love, how are you doing?  
I miss you more every day  
It sinks in  
That I won't get to see you till heaven

I'm not doing so well, doing so well  
Doing so well, doing so well  
I'm not doing so well, doing so well  
Doing so well, doing so well

I had a visit from a bellbird, was that you?  
Olive colored  
Now it's rusted, there's no time left  
It's decaying, it's moss covered

I wish I had more time, more time, more time  
I wish I had more time and more love  
I wish I had more love, in time, time in love  
I wish I had more time in love, in time

I search for you in the clouds  
Might pop out and say 'Hi'  
My love, how are you doing?  
I miss you more every day  
It sinks in  
That I won't get to see you till heaven

I'm not doing so well, doing so well  
Doing so well, doing so well  
I'm not doing so well, doing so well  
Doing so well, doing so well
