

I know I fucked up, I'm just a loser  
Shouldn't be with ya, guess I'm a quitter  
While you're out there drinkin', I'm just here thinkin'  
'Bout where I should've been  
I been lonely

Water pouring down from the ceilin'  
I knew this would happen, still hard to believe it  
Maybe I'm dramatic, I don't wanna seem it  
I don't wanna panic

I'm a sad girl, in this big world  
It's a mad world  
All of my friends know what's happened  
You're a bad thing

I know I fucked up, I'm just a loser  
Shouldn't be with ya, guess I'm a quitter  
While you're out there drinkin', I'm just here thinkin'  
'Bout where I should've been  
I've been lonely (Mmm, ah, yeah)

La-la-la-la, la-la-la-la  
Lonely (I'm a lonely bitch)  
La-la-la-la, la-la-la-la  
Lonely (Super lonely)

Now I'm in the bathtub, cryin'  
Think I'm slowly sinking  
Bubbles in my eyes now  
Maybe I'm just dreamin'  
Now I'm in the sad club  
Just tryna get a backrub (Ooh)

I'm a sad girl, in this big world  
It's a mad world (Ooh)  
All of my friends know what's happened  
You're a bad thing

I know I fucked up, I'm just a loser  
Shouldn't be with ya, guess I'm a quitter  
While you're out there drinkin', I'm just here thinkin'  
'Bout where I should've been  
I've been lonely, mm, ah, yeah

La-la-la-la, la-la-la-la  
Lonely (Lonely bitch)  
La-la-la-la, la-la-la-la  
Lonely

Yeah, I've been lonely  
I've been lonely (La-la-la-la, la-la-la-la)  
Lonely (I've been lonely, by the way)  
La-la-la-la, la-la-la-la  
Lonely
