

# Off The Rails

BENEE

That boy, he's a snack  
Might give me a heart attack  
I wanna be the center of attention  
Out of this world, fourth dimension  
I promise that I will not stop  
Until I end up on the top  
And if someone gets in the way  
I'll hit 'em, I got shit to say

I'm off the rails  
Think I might fall apart  
And I'm crazy now  
But it got dark  
Can you light the fuse?  
Think I might fall apart  
I'm off the rails  
Had to restart

I'm cold, I'm wet, yeah, in my bed  
Kicking myself about what I said  
I think I like him, I don't know  
I think I'm better off alone  
I'm up, I'm down, I'm in between  
I'll leave your message over seen  
I think I like fucking myself  
More than I do with someone else

I'm off the rails  
Think I might fall apart  
And I'm crazy now  
But it got dark  
Can you light the fuse?  
Think I might fall apart  
I'm off the rails  
Had to restart

I'm off the rails  
Think I might fall apart  
And I'm crazy now  
But it got dark  
Can you light the fuse?  
Think I might fall apart  
I'm off the rails  
Had to restart
