I could watch you for a lifetime
You're my favourite movie
A thousand endings
You mean everything to me
I never know what's coming
Forever fascinated
Hope you don't stop running
To me cause I'll always be waiting

You are my cinema
I could watch you forever
Action thriller
I could watch you forever
You are my cinema
A Hollywood treasure
Love you just the way you are
My cinema, my cinema

Stars spell out your name
Like in a science fiction drama
Romance growing
Like a flower in the summer
You always keep me guessing
Forever my wonder
Hope you start undressing
All my dreams and take me under

You are my cinema
I could watch you forever
Action thriller
I could watch you forever
You are my cinema
A Hollywood treasure
Love you just the way you are
My cinema, my cinema

Never know what movie you're playing
Never know what movie you're playing
Never know what movie you're playing
Never know, never know, no no no

Never know what movie you're playing
Never know what movie you're playing
Never know what movie you're playing
Never know, never know, no no

You are my cinema
I could watch you forever
Action thriller
I could watch you forever
You are my cinema
A Hollywood treasure
Love you just the way you are
My cinema, my cinema

Never know what movie you're playing
Never know what movie you're playing

Never know what movie you're playing
Never know, never know, never know

Never know what movie you're playing
Never know what movie you're playing
Never know what movie you're playing
