

## Hearts

Benjamin Amaru

Hearts don't sleep  
Thought it beats in every second  
Every day, every night, oh yeah  
But you, you feel  
Like your heart is getting tired  
And you don't know just where to be

So you say you wanna go  
If you say you wanna go  
Then I'll be there with you  
If ever you don't know  
If ever you don't know  
Just know that I'll be there  
For you, for you, for you  
For you, I'll be there

Hearts don't see  
It's the eyes that show the people  
Where the people wanna be  
But you, you feel  
That your eyes are getting tired  
And you don't know what to believe

Say you wanna go  
If you say you wanna go  
Then I'll be there with you  
If ever you don't know  
If ever you don't know  
Just know that I'll be there  
For you, for you, for you  
Just know that I'll be there  
For you, for you, for you  
Just know that I'll be there  
For you, for you, for you  
Just know that I'll be there
