

# U-Ser-Name

Benjamin Amaru

Internet trust me I got silhouette  
Take a pic, take one more, more of that  
Happy men get to see just what they get  
The unslight photographist dating app

Heard about a dark affair, picture that  
Paris situation, gotta live with that  
Internet, trust me I got rich with that  
Who are you, and what's your name on Instagram?

I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do

Password safe, you really saved my day  
Logging in my profile is an easy A  
Say hello, just to say goodbye  
I prefer Tinder with my phone tonight  
I'm alright  
Yes I am  
Really looking sexy on my front cam  
Internet, trust me I got rich with that  
Who are you, and what's your name on Instagram?

I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do

You like me, I like you back  
This is how we do it in the internet  
You like me and I like you back  
This is how we do it in the internet  
You like me, I like you back  
This is how we do it in the internet  
You like me and I like you back  
This is how we do it in the internet

I get chills when I hear your u-ser-name, I do  
I get chills when I hear your u-ser-name, I do
