

# You Have Changed

Benjamin Biolay

Damn, you have changed, you're just another man  
They washed your soul, they washed your brain  
Damn, you have changed, you're just an angry man  
Is it the booze, is it the fame?

Damn, you have changed  
Since the hurricane  
Since the hurricane

You are not the same  
You are not the same  
Anymore  
You are not the same for years

Damn, you have changed, you're not the same  
Just everything you hated  
Damn, you have changed, you're not so well  
They cut your brain but left your penis

Damn, you have changed  
Since the hurricane  
Since the hurricane

You are not the same  
You are not the same  
Anymore  
You are not the same for years  
You are not the same for years

Damn, you have changed, you're not the same  
You're the only one to blame  
God, you have changed, you're such a renegade  
Visit the flowers on your grave

God, you have changed  
Damn, you have changed  
God, you have changed  
Damn, you have changed

God, you have, God, you have changed  
Damn, you have changed  
Ooh, ooh, ooh
