

Copening

Benjamin Clementine

Oh it's the lonely paths
That paves the only crafts
Giving us thrills to survive
Bringing means to our lives

Whoa-oh, whoa-oh, guess who's howling home
Whoa-oh, whoa-oh, guess who's howling home
This windy road
Won't crash my hopes
This mighty road
Won't stop my soul

Oh it's the patchy past
That craves what better last
Pushing us through the hard test
Free and forming, finding our best

Whoa-oh, whoa-oh, guess who's howling home
Whoa-oh, whoa-oh, guess who's howling home
This windy road
Won't crash my hopes
This mighty road
Won't stop my soul

Whoa-oh, whoa-oh, guess who's howling home
Whoa-oh, whoa-oh, guess who's howling home
This windy road
Won't crash my hopes
This mighty road
Won't stop my soul
Won't stop my soul
