Benjamin Clementine

Here we go again  
Here we go again  
Up the ball goes  
Till gravity intervene  
Do the best you can  
But nothing's guaranteed

We lean, we learn, we earn, we turn, we burn  
We lean, we learn, we earn, we turn, we burn  
Then start again  
Cause we're delighted

I can't count with my scissors like fingers  
The amount of times I've been here  
But I'm sure I'll get to the bottom of it some day  
With all due respect  
To those I've caused so much pain  
If I were given a second chance  
I would do it all again  
Up the ball goes  
Till gravity intervene  
Do the best you can  
But nothing's guaranteed

We lean, we learn, we earn, we turn, we burn  
We lean, we learn, we earn, we turn, we burn  
Then start again  
Cause we're delighted  
We go again  
Cause we're delighted

The consequences are yours  
And the frequencies are yours  
The possibilities are yours  
Cause the vision is yours

We lean, we learn, we earn, we turn, we burn  
We lean, we learn, we earn, we turn, we burn  
Then start again  
Cause we're delighted  
We start again  
Cause we're delighted
