

Genesis

Benjamin Clementine

Trapped in free
Forever stuck with me
On a ride
Settling tides
Trapped in free

Whatever you do
Whichever way you choose
We are trapped in free
We are trapped in free

These are the days of our lives
No matter where we go
We're trapped in free

Crush my world
Sell it for \$9.99
Cast a spell
In the place
We once dwelt

Whatever you do
Whichever way you choose
We are trapped in free
We are trapped in free

Whatever you do
Whichever way you choose
We are trapped in free
We are trapped in free
We are trapped in free
