

I Am With You

Benjamin Francis Leftwich

I am with you when I'm walking
I can hear you but you're not talking
I am with you [?]
But all I'm thinking is this means nothing

I'm here alone
I'm here alone
I'm here alone
I'm here alone, alone, alone
I'm here alone
I'm here alone
I'm here alone
I'm here alone

You bring heaven to life
You're the flicker in my night
Everywhere I look I find
You bring heaven alive
Everywhere I look I find
That I...

I'm still with you when I [?]
Fate is still [?], we have ten more to go
I still need you but I don't want to
Got to be with, to sleep with, just someone to know

I'm here alone
I'm here alone
I'm here alone
I'm here alone, alone, alone
I'm here alone (You bring heaven to life)
I'm here alone (You're the flicker in my night)
I'm here alone (Everywhere I look I find)
I'm here alone

You bring heaven to life
You're the flicker in my night
Everywhere I look I find
