

Midnight City

Benjamin Francis Leftwich

Waiting in a car
Waiting for a ride in the dark
The city never grows
Look at the horizon glow

Waiting in a car
Waiting for a ride in the dark
Drinking in the lights
Following the neon signs

Waiting for a word
Looking at the milky skyline
The city is my church
Wraps me in the sparkling twilight

Waiting in a car
Waiting for the right time
Waiting in a car
Waiting for the right time
Waiting in a car
Waiting for the right time
Waiting in a car
Waiting for a ride in the dark
