

Do You Think About Me

Benjamin Ingrosso

Ooooh
Do you think about me?
Ooooh
Do you really think about me?

Do you think about me, when you wake up?
Do you think about me, when the two of you make love?
Is it me that you see when you're by yourself
Or does he make you feel like you've never felt?

Aaah, do you think about me, I just want to know...

Ooooh, do you think about me?
Ooooh, do you really think about me, any more?
I wish I didn't miss you but I'd lie to you
We're better together, not alone
Ooooh do you really think about me, at all?

I've been drinking 'bout you, almost every night
I wonder what would happen, if called you to say Hi?
Would you yell, go to hell and hang up the phone?
Or suggest that we met somewhere alone?

Cause I've been trying to figure it out
But I'm so lost without you... I really wanna know!

Ooooh, do you think about me?
Ooooh, do you really think about me anymore?
I wish I didn't miss you but I'd lie to you
We're better together, not alone
Ooooh, do you really think about me, at all?

Is it me that you see when you touch yourself?
Or does he make you feel, feel like you've never felt?!

Ooooh, say do you think about me?
Ooooh, do you really think about me, anymore?
I wish I didn't miss you but I'd lie to you
We're better together, not alone
Oooh do you really think about me, at all?
