

Fall In Love

Benjamin Ingrosso

You make me nervous when you're running away so far
I think your special I just want you to know
You are
I don't care what people say
About us

We fight, to fall in love
We fight, to fall in love
You and me against the world, the world

All this commotion tell me how can it be so hard
How can something so easy be so easily torn apart
Why do words get in the way, for us

We fight to fall in love
We fight to fall in love
You and me against the world, the world

Two of a kind, that's what we are
The stronger the pride then the higher the guard
All this playing games
Let me change the way I feel about
About you now

We fight to fall in love
We fight to fall in love
You and me against the world, the world

We fight to fall in love
We fight to fall in love
You and me against the world, the world
