

# Fancy

Benjamin Ingrosso

Girl, I gotta ask, how'd you get so back?  
Where did you come from? (Where did you come from?)  
Champagne on the tab, yeah, it's raining good  
Everyone's messed up (Everyone's messed up)

Yeah, you wearing that perfume  
Got me high on all the fumes  
And I love it  
What I gotta prove just to be with you  
I don't want anyone but you

I don't care that your daddy is famous  
That you fly to the moon for vacation  
Give a fuck [?] dress  
That shit, it don't impress  
Tell me all that you fancy to dance with me

To dance with me, ay, ay, ay, ay, ay, ay, ay, ay  
To dance with me, ay, ay, ay, ay, ay, ay, ay, ay

I see you sing along, you know every song  
So much in common  
Million dollar vibe, nothing I could buy  
You have in [?][?]  
Girl, I swear that I will provide  
I won't let you go down  
What I gotta prove just to be with you  
I don't want anyone but you

I don't care that your daddy is famous  
That you fly to the moon for vacation  
Give a fuck [?] dress  
That shit, it don't impress  
Tell me all that you fancy to dance with me  
I don't know anyone at this party  
They all looking at me like I'm nothing  
Give a fuck [?] dress  
That shit, it don't impress  
Tell me all that you fancy to dance with me

Maybe skip all the white lies  
No, we don't need any white lies  
We don't gotta waste time  
No

I don't care that your daddy is famous  
That you fly to the moon for vacation  
Give a fuck [?] dress  
That shit, it don't impress  
Tell me all that you fancy to dance with me  
I don't know anyone at this party  
They all looking at me like I'm nothing  
Give a fuck [?] dress  
That shit, it don't impress  
Tell me all that you fancy to dance with me

To dance with me, ay, ay, ay, ay, ay, ay, ay, ay

To dance with me, ay, ay, ay, ay, ay, ay, ay, ay
