

## No Sleep

Benjamin Ingrosso

I'm at another party  
We burst in the infinity pool  
They come in Ferraris  
I'm waiting for my  
And they don't know it  
I'm gonna look at mine  
I'm gonna look at mine  
Someday I know it  
I stay on my grind  
Till they know every line like

No sleep till the dream come true  
No sleep till the dream come true  
Ain't no way I'mma shut my eyes  
Till I'm waking up in Malibu  
No sleep till the dream come true

So, song is blowing up now  
Platinum better be double  
Used to be a struggle  
Now I struggle just to be home

They don't know it  
I did all my time, I did all my time  
Ain't nothing I can't buy  
Can't forget the nights saying

No sleep till the dream come true  
No sleep till the dream come true  
Ain't no way I'mma shut my eyes  
Till I'm waking up in Malibu  
No sleep till the dream come true

They don't know it

No sleep till the dream come true  
No sleep till the dream come true  
Ain't no way I'mma shut my eyes  
Till I'm waking up in Malibu  
No sleep till the dream come true
