

One More Time

Benjamin Ingrosso

(One more, one more time)
(One more, one more time)

It's the same old story
You're the gas and I'm the fire
No, it's just not healthy
Making you my one desire

See, not trying to love you is like trying to breathe under water
And I don't even know why I wanna believe that I can
No, there's millions of hearts in this world that don't come with thi
s torture
So I still can't figure out why
I'm falling for you one more time

One more, one more time
One more, one more time
One more, one more time
I'm falling for you one more time

Don't know how this started
But I know we should explode
'Cause it's just not healthy
Making you my one desire

See, not trying to love you is like trying to breathe under water
And I don't even know why I wanna believe that I can
No, there's millions of hearts in this world that don't come with thi
s torture
Still I'm falling for you one more time

One more, one more time
One more, one more time
One more, one more time
I'm falling for you one more time

See, not trying to love you is like trying to breathe under water
And I don't even know why I want to, it doesn't make sense
No, there's millions of hearts in this world that don't come with thi
s torture
I'm falling for you one more time

One more, one more time
One more, one more time
One more, one more time
(Oh, baby)
Still I'm falling for you one more time

Ohhh...
(I'm falling for you now)
