Gonna tell you I adore you, mmh-mmh-mmh-mmh-mmh-mmh
Gonna ask you to be mine, mmh-mmh-mmh-mmh-mmh-mmh
Making plans in the shower, yeah, a-hah
Still got a little time, mmh-mmh-mmh-mmh-mmh-mmh

You're coming over, gotta dim the lights
Put some Bee Gees on, it's gonna set the mood
I'll make pasta Amatriciana, pour a glass of wine
And do just what I do

Now put on some shampoo
Yeah

I gotta make you dinner, I gotta make dessert
I gotta clean the kitchen up before I get to work
Pick what I'ma wear, yeah
No, I don't wanna look like I'm trying

I'm making my bed, putting perfume
Make sure that Violetta doesn't smell up the room
I've showered an hour or more
Need some towels to wipe up this floor

You're coming over, it's so hot outside
And my AC ain't been working since last July
I'll make coffee Affogato, that will cool us down
Then do just what I do

Now put on some shampoo
