

Spotlights

Benjamin Ingrosso

[Verse 1]

Playing on the keys that my mom bought for me when I was twelve
years old
They think 'cause I'm a name, I'm a fake, I'm just doing what I
've been told
See I can understand where they come from 'cause I've been on e
very show
Now they don't wanna know about the days and nights when the li
ghts are low

[Pre-Chorus 1]

So shout out to my family
For always being there for me
For showing me that nothing in this life is free
It's all a dream

[Chorus]

Nothing but spotlights, shining on me
Ain't nothing but spotlights as far as I see
Yeah, it's never been easy and I don't want it to be
Ain't nothing but spotlights shining on me

[Verse 2]

See I was only fifteen, labels didn't want me
They saw me on the TV said I didn't have a story
So I had to prove it, did it with my music
When I become a star, they're gonna say they always knew it

[Pre-Chorus 2]

Now these are the days that I won't forget
Living the moment 'til the moment's spent
'Cause nothing in this world is free, it's all a dream

[Chorus]

Nothing but spotlights, shining on me
Ain't nothing but spotlights as far as I see
Yeah, it's never been easy and I don't want it to be
Ain't nothing but spotlights shining on me
Nothing but spotlights, shining on me
Ain't nothing but spotlights as far as I see
Yeah, it's never been easy and I don't want it to be
Ain't nothing but spotlights shining on me
