

A Heart Of Gold Is Hard To Find

Benjamin Tod

Giving up on finding peace
Gave me strength to live in grief
There's poison in the tongues that sing
This world owes you anything

You can't buy love or loyalty
These you earn by honest deed
Life is cruel and death is kind
And a heart of gold is hard to find

Few in line were meant to lead
Fools will follow hearts that bleed
No one else will make your mind
And save your neck from killing time

You can't buy love or loyalty
These you earn by honest deed
Life is cruel and death is kind
And a heart of gold is hard to find

It's black and white and in the mine
It's the sunset in the sky
It's inside of you and I
The truth is bound inside the lie

You can't buy love or loyalty
These you earn by honest deed
Life is cruel and death is kind
And a heart of gold is hard to find
