

That's The Thing About Praise

Benjamin William Hastings

When the rain you want is a flood instead
And the roses bloom, but they're not quite red
And when I reach the edge of my bravery
I'll still be singin' at the banks of an un-parted sea

Sometimes the only way through it is a hallelujah
(The only way through it is a hallelujah)
Sometimes the only thing to do is just to give it to You
(The only thing to do is just to give it to You)
And though my troubles shake me
I know they will never move You
Sometimes the only way through it is a hallelujah
(Hallelujah)
That's why I say hallelujah
Hallelujah

There's what I want and then there's where I'm at
Every one step forward, it got me five steps back
And I cried, I called, God knows I prayed
But most days faith is climbin' up a mountain that stayed

That's why the only way through it is a hallelujah
(The only way through it is a hallelujah)
Sometimes the only thing to do is just to hand it to You
(The only thing to do is just to hand it to You)
And although my troubles shake me
I know they could never move You
Sometimes the only way through it is a hallelujah
(Hallelujah)
Hallelujah (Hallelujah)
Hallelujah (Hallelujah)
That's why I say hallelujah
Hallelujah

It don't always fix your problems
But it'll tell you how small they are
That's the thing about praise
That's the thing about praise
It won't always move the mountain
But it's good for the heart
That's the thing about praise
That's the thing about praise
You'll never know what it's gonna change
But it'll always leave a mark
That's the thing about praise
That's the thing about praise
Yeah, I might see walls start fallin'
Or it might just change my heart
That's the thing about praise
That's the thing about praise (Oh)
That's the thing about praise
That's the thing about praise, woah

And the only way through it is a hallelujah
(The only way through it is a hallelujah)
Sometimes the only thing to do is just to hand it to You
(The only thing to do is just to hand it to You)

And although my troubles shake me
I know they could never move You
The only way through it is a hallelujah
(Hallelujah)

That's the thing about praise
You never know what it'll change, change, change
That's why I say hallelujah
Hallelujah
Oh, that's the thing about praise
You don't even know what it's about to change (You never know what it'll change, change, change)
That's why I say hallelujah (Hey)
Hallelujah
