

Stack On Stack

Benji Blue Bills

Can I get your number?
What's your name though?
Is you a real bitch?
Or you a lame hoe?
You don't like my friends?
That's my gang though

Yeah, you don't like my friends?
That's my gang though
I call you my twin but we don't look the same though
I could die right now they still gon bang my name though
Bitch that's 3B 5ive
He had this shit too live
He bang that biggest 5
And when that shit got dark
He the one that lit the sky
And when they thought it was over with he came back like surprise
Superhero whole time they thought I was the bad guy
How much pussy shit do it take to open up they eyes?

For real I feel like y'all ain't even give me no chance
Y'all ain't even give me a chance to talk, for real
Explain my side of the story

Bitch it's 3B 5
I got blue money
It's just 3B 5
I got Jew money
Nigga throw up 5
I got blood money
I just called JB he got fuck the judge money
Nigga throw up 5
Nigga throw up 5
If you with 3B
Bitch don't go on live
I'm the first nigga in these streets to pop out xan on 5
I'm the first nigga on this side to pop out bitch who died
I don't know who really with me (I got 30 on my side)
I don't know who got my back
And I really miss my niggas
You could put that in all caps
Imma try to act like I don't care to see how she react
And if I like that bitch for real I'm going stack on stack
Stack on stack
Pistol on my driver big boy tonka truck (With that black on black)
I really like my ex bitch still for real but I still can't go back
I got faith in AR and JB make sure I stay on track
