

In Time

Benji Lewis

Will I know
If I 'm ready
Keep my love
On the run

Give away
All the lies
Take my heart
For a ride

Out of sight
I feel weak
At the knees
Heart is achin
I fall in

Will I know
If I 'm ready
Keep my love
On the run

Give away
All the lies
Take my heart
For a ride

Out of sight
I feel weak
At the knees
Heart is achin
I fall in

If it's love
It will last
Through the years
Wait no harm

Am I wrong
Am I right
For this love
Out of sight
I fall, I fall in deep
I fall, I fall in deep

Turn, down the lights
Turn, turn down the lights

Lay, lay down the phone
Lay, down the phone

I, I fall in deep
I fall, I fall, I fall in deep
I fall, I fall in deep
