

Light

Benny Benassi

Can You hear me
Can You feel me
Oohhh
Oh, heeeey
Light

Whooa x3
I'm singin' in the sun
I can feel the power
All the new down in my mind
Everythin' is blime
Love is all and love is 'round
Like a fresh of flower
All my spirit's flowin' down
In the new diverce

REF:
Light shinin' in your eyes
Everyday to wash away the pain
Light come in from my mind
We are one
The life is just begin

We're gonna walkin' through my world
I can see I worth it
They are faces
They are world
Other simple worth
Put your guns on other ground
Don't you hurt each other
Let your spirit in the soul
You may universe

Light shinin' in your eyes
Everyday to wash away the pain
Light come in from my mind
We are one
The life is just begin

Light is shinin' in your eyes
Everyday to wash away the pain
Light come in from my mind
We are one
The life is just begin x3

Light
Oh yeah, oh noo
Come on , belive me
Light shinin' in your eyes
Everyday to wash away the pain
Light come in from my mind
We are one
The life is just begin

Light is just this console
Light is just a

Come one light
It is You
Beacuse light is just a console
Light is the a color
Come one light
Is you
