## Ride To Be My Girl

## **Benny Benassi**

Ride to be my girl Top on mine Push and shove Ride me all around All you can Rise above

You gotta ride,...to,...be,...fun You gotta love... me Come... right You gotta ride

Ride to be my girl
All the time
Making love
Ride me up and down
Feel my hands
Make you come

You gotta ride... to... be... fun You gotta love... me Come... right You gotta ride

Ride to be my girl Sweaty shine On me rough Ride me with your sound Fly and land Give it up

You gotta ride,..to,..be,..fun You gotta love.. me Come.. right You gotta ride

Ride to be my girl
All your skin
Want to clutch
Ride me really hard
Feel you in
Feel your muff

You gotta ride,..to,..be,..fun You gotta love.. me Come.. right You gotta ride
