Stop go back forward Come further take it slow

Stop go back forward Come further take it slow

Maybe if you make it in time You must just be mine

Make a move and trow me a line Come and make me shine, fine Fine, fine

Stop go forward back go - forward Come further take it slow Move your ass as you know stop go Take it

Maybe if you make it in time You must just be mine

Make a move and trow me a line Come and make me shine, fine Fine, fine

. . .

Stop go back forward Come further take it slow

Stop go back forward Come further take it slow

Maybe if you make it in time You must just be mine

Make a move and trow me a line Come and make me shine, fine Fine, fine

Maybe if you make it in time You must just be mine

Make a move and trow me a line Come and make me shine, fine Fine, fine

Stop go back forward Come further take it slow

Stop go back forward Come further take it slow
