

Care

benny blanco

Sometimes I lose my breath
Can't miss you anymore
For you I got none left
I wish I could ignore

Nuisance
But you call me
I got some new friends
But you still want me

And you left me all fucked up
I probably pushed my luck
I couldn't take no more
You're someone I care for

Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh

I know I promised you
Someone to look up to
I can't be that no more
And now I know for sure

Nuisance
But you call me
I got some new friends
But you still want me

And you left me all fucked up
I probably pushed my luck
I couldn't take no more
You're someone I care for

Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh
Ooh-ooh
Ooh-ooh, ooh-ooh, ooh

Ooh-ooh
Ooh-ooh, ooh-ooh, ooh

Ooh-ooh, ooh
Ooh-ooh, ooh

The feeling that I first had, I felt that I was losing my family
Because a family has got, you know
A mommy and daddy bear, two little cubs
And, and in the case of my family, it was taken from me
And then when you get divorced, everything has changed
You change your house, you change your furniture
You change your [?], I mean everything is different
And, people deal with it in different ways
If I had to give one answer I'd say we thought differently about almost everything
You know, you know that [?] each other [?]
I was travelling a lot
We were both probably felt at some level that we were begging
Or, and, I think we grew apart
[?] people like, was wife and TV
Some that was married sixty-seven years
Now I don't know if he hadn't know years or what
I mean that to me is accomplishment, beyond all accomplishments
