Oooo

Hmhmm

Oooo ooooo

Oooooo one morning, yeah

Give it a body

Want to talk to it

And you will remove the space

Just to be a body

Want to talk to me

Want to walk over to the open space

They don't know who that du-, du-

They don't know

They don't know who that du-

They don't know

It was just for fun

It was just for us
