

## Braces

Benny Mayne

Mobbin' through the city that I come from  
I've been thinkin' 'bout you 'cause I'm on one  
Ever since I let you show me no love  
Still with all the people that I came with  
Tried to hit your number but you changed it  
Back then we was tighter than your braces, yeah

Rainy days can't take the top off  
This money can't make up for time lost  
And patience ain't one of my virtues  
I still got this shit that you like  
Though I ain't seen you in a long time  
I took a ride off of those blue eyes  
I just hope you're doing alright, alright yeah  
Night time, we've known each other for a lifetime  
Pour some red and tell me white lies  
I just hope you're doing alright, alright yeah

Back then I would pull up to your crib in a Nissan  
Back then I was puttin' all my dreams on my Visa  
I was just a kid from the sticks, never seen much  
Sorry that I had to move away just to be some' (Something)  
You was there when I was sleepin' on the floor (Yeah)  
But we didn't care 'cause we was both in love  
Now I'm rollin' down your block on 24s  
Ohh-, still baby

Rainy days can't take the top off  
This money can't make up for time lost  
And patience ain't one of my virtues  
I still got this shit that you like  
Though I ain't seen you in a long time
