

DOOMSDAY

Benny Mayne

Everybody's prepping for doomsday
The moment that I fuck it all up
For me it's just a regular Tuesday
Without even a clue what I've done
They stare just like my finger's on the button
And they go running and I'm left wondering
If destiny is my own self-destruction
They're betting on it but I don't want it

They say I'm off of my meds
They want me under arrest
Straight jacket hospital bed
It's all good I don't take no offense
I'm far from perfect
It's not worth it
Straight jacket hospital bed
It's all good I don't take no offense

They tell me I'm a suicide
And if I decide against it
Them I'm clearly high or out my mind
And see it how it isn't
When I self-sabotage to no applause
They get their happy ending
But I can't tell the difference

They say I'm off of my meds
They want me under arrest
Straight jacket hospital bed
It's all good I don't take no offense
I'm far from perfect
It's not worth it
Straight jacket hospital bed
It's all good I don't take no offense

Everybody's prepping for doomsday
The moment that I fuck it all up
For me it's just a regular Tuesday
Without even a clue what I've done

They say I'm off of my meds
They want me under arrest
Straight jacket hospital bed
It's all good I don't take no offense
I'm far from perfect
It's not worth it
Straight jacket hospital bed
It's all good I don't take no offense
