Benny Mayne

Said you won't come back  
Now you're at my door  
First you give me heck  
Then you at my door  
I should just move on  
But I can't let go

Fuck up my life  
Fuck up my life, babe  
I do you wrong  
Don't know the right way  
Take off your clothes  
Drinking all night baby  
Fuck up my life  
Fuck up my life, babe  
I'm sipping

Hennesy and love  
Doesn't mix, makes me sick  
But I need it  
Always get me drunk  
Once again  
Reel me in  
Tell me hit it  
Anyway you want  
We get drunk and fuck  
We get drunk and fight  
Then blame it on  
Hennesy and love  
Doesn't mix, makes me sick  
But I need it, always need it

I'll tell you that I love you now  
While I'm wasted, I just wanna taste it  
Let me buy another round

Fuck up my life  
Fuck up my life, babe  
I do you wrong  
Don't know the right way  
Take off your clothes  
Drinking all night baby  
Fuck up my life  
Fuck up my life, babe  
I'm sipping

Hennesy and love  
Doesn't mix, makes me sick  
But I need it  
Always get me drunk  
Once again  
Reel me in  
Tell me hit it  
Anyway you want

We get drunk and fuck  
We get drunk and fight

Then blame it on  
Hennesy and love  
Doesn't mix, makes me sick  
But I need it, hennesy and love  
Always get me drunk  
Hennesy and love  
Doesn't mix, makes me sick  
But I need it  
Always get me drunk  
Once again  
Reel me in  
Tell me hit it  
Anyway you want  
We get drunk and fuck  
We get drunk and fight  
Then blame it on  
Hennesy and love  
Doesn't mix, makes me sick  
But I need it, always need it
