

# All That You Wanted

Benny Sings

I'll call you up  
And say, "Sorry"  
You'll say, "It's okay, it's fine"  
I'll say, "What you doin' tomorrow  
I could take you wine and dine  
We'd dress up like two little kids  
Forget what I said, forget what he did  
We'd walk home together  
Make love and live forever

And I promise (And I promise it's all that you wanted)  
I promise it's all that you wanted  
(And I promise it's all that you wanted)  
I promise it's all that you wanted  
(And I promise it's all that you wanted)  
I promise that it's all that you wanted, that you wanted  
(And I promise it's all that you wanted) "

I bought a book  
It made me think of you  
We could go watch the water bloom  
I bought a house for you  
Tell me what to do  
It's got a bed for two  
Bring me back to you

(And I promise it's all that you wanted)  
(And I promise it's all that you wanted)  
I promise it's all that you wanted, love, love  
Ah, yeah, yeah (And I promise it's all that you wanted)  
I promise it's all that you wanted, la, la, la  
(And I promise it's all that you wanted)  
I promise it's all that you wanted, wanted, wanted
